☒ Very fast ☐ Fast ☐ Satisfactory ☐ Slow

The Reason why the progress has been so:

She is practicing more and she can play her pieces quit well

What the teacher has done or/and what the teacher will do to improve the quality of teaching:

I would like her to perform 3 grade-5 pieces twice first time with the music second time by heart.

If she can do that she passes grade 5. We will plan to do grade-5 theory exam then grade-6 practical. I will prepare everything before teaching.

Do not love music less.
